

Sourcing & Integration

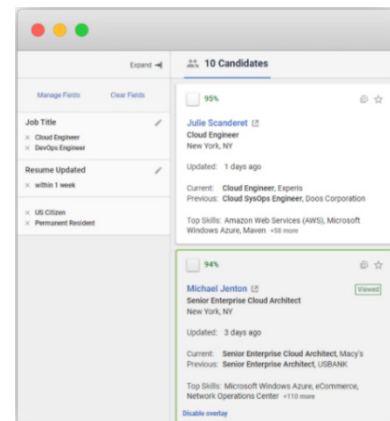

ProRank works where you work

Chrome Companion App

ProRank's Chrome Companion App helps you work smarter. Recruiters can continue to work using the tools they already know and love, such as ATS's and external Job Boards. The companion app enhances the user experience and making recruiters more productive than ever.

Team Coordination Made Easy

- Improve Coordination among recruiters in real-time across popular Resume sourcing websites like Monster, Indeed, LinkedIn, and others.
- Identify new candidates with the help of visual indicators to highlight whether candidates were previously screened.
- Reduce cost on pay-per-click resumes sites with helpful overlays alerting the recruiter that the resume or profile was previously purchased or downloaded.

Jobs Matched	
1 Java Technology Analyst	95.6%
2 Java Full Stack Developer	94.2%
3 Java Consultant	93.9%
4 Back-End Java Developer	91.8%
5 Java Technical Lead	89.8%

Highly Qualified Candidates	
1 Shina Milverton	96.3%
2 Matthew Summerfield	95.3%
3 Raina Pool	94.8%
4 Carol McCuaig	93.0%
5 Alice Setchfield	91.8%

Bring Your ATS / CRM to the Job Boards

- Indicators to alert the recruiter if a candidate was previously downloaded.
- Previous interactions and notes appear on-screen as the recruiter reviews the candidate.
- Open jobs that the candidate is most qualified for are presented in real-time.

Enhance Your ATS / CRM with ProRank's Powerful Search Engine

With no setup or integration, ProRank's powerful search engine can be accessed directly in many candidate tracking systems. The Companion App presents the most qualified candidates for the job on screen and provides recruiters with access to many of ProRank's finest features.

Centralized Candidate Data

ProRank helps to capture all recruiter activity in your ATS or CRM. The ProRank solution consolidates external candidate data from multiple sources and cross-references it with recruiters' internal systems, improving data quality and reducing data loss. The Chrome Companion App, you can be sure to cut costs, improve recruiter coordination, and build stronger relationships with candidates.
